Engine Light Is On: 2000-2005 Mercury Sable - What to Do ...

A check engine light can indicate a broad spectrum of problems with your 2005 Mercury Sable. In some cases you need to pull over immediately to prevent damage while in others you merely need to tighten you gas cap next time you stop in order to reset the service engine soon light.

Engine Light Is On: 2000-2005 Mercury Sable - What to Do ...

If the check engine light is flashing on and off while driving, this indicates that the engine control module in your vehicle has detected an engine misfire condition. This can have many causes, including such things as a faulty spark plug, plug wire, a failing ignition coil, an fuel injector problem, broken valve spring, EGR system fault, or any of dozens of other failures that result in the engine misfiring.
