I especially love the battle of wills between Eli and Cal. Stacey Marie Brown did an exceptional job creating Blood Beyond Darkness. I felt numerous emotions throughout the novel. There were so many unexpected twists and turns. I am really sad to see this series end. If you have not tried the Darkness Series, I

final book in the New Adult Paranormal, Darkness Series by Stacey Marie Brown. I can't believe that this series is done. I am still hoping that the author will come out with some novellas about the characters. I absolutely love this series. It is one of my favorites, so Blood Beyond Darkness was bittersweet for me. In some ways I didn't want to read it because I didn't want to be done with the series.
