General Chemistry Chang 7th Edition

The seventh edition of General Chemistry continues the tradition of presenting only the material that is essential for a one-year general chemistry course. It strikes a balance between theory and application by incorporating real-world examples; helping students visualize the three-dimensional atomic and molecular structures that are the basis of chemical activity; and developing problem-solving and critical thinking skills.

General Chemistry: The Essential Concepts 7th Edition

Although the seventh edition incorporates many impressive features such as conceptual idea review animations correlated to the text and hand-sketched worked examples General Chemistry is still 200 to 300 pages shorter and much less expensive than other two-semester textbooks. Dr.
