Understanding governance as it applies to portfolios, programs, and projects is growing in importance to organizations, because appropriate governance is a factor in the success or failure of strategic initiatives and portfolios, as well as an organization's programs and projects. Implementing an effective governance framework can be challenging due to factors such as increasing business complexities, regulatory requirements, globalization, and rapid changes in technology and business environments. Many organizations do not have a consistent approach to portfolio, program, and project governance. PMI's Governance of Portfolios, Programs, and Projects: A Practice Guide, developed by leading experts in the field, provides guidance to organizations and practitioners on how to implement or enhance governance on portfolios, programs, and projects. This practice guide provides definitions for governance in an effort to distinguish the different levels of governance and to identify their common elements.

Katherine Shaw—Kate— is happy with her life. She has supportive friends, a glamorous magazine career, and a love of all things Jane Austen. But when she loses her job, her beloved grandmother falls ill and a financial disaster forces a sale on the family home, Kate finds herself facing a crisis that would test even the most stalwart of Austen heroines. Friends rally round, connecting her to freelance gigs, and presenting her with a birthday gift— title to land in Scotland—that's about to come in very handy. Turns out that Kate's first freelance assignment is to test an Austen-inspired theory: in the toughest economic times is a wealthy man the only must-have accessory? What begins as an article turns into an opportunity as Kate—now Lady Kate—jet-sets to Palm Beach, St Moritz and London where, in keeping company with the elite, she meets prospects who make Mr. Darcy look like an amateur. But will rubbing shoulders with men of good fortune ever actually lead her to love? And will Kate be able to choose between Mr. Rich and Mr. Right?
