One Bible to steer clear of is the New World Translation (NWT) which is used by Jehovah Witnesses. This is clearly a heretical Bible and here's why. In the Gospel of John, the best manuscripts say, "In the beginning was the Word, and the Word was with God, and the Word was God" (ESV, John 1:1), but the NWT inserts an indefinite article to make it "and the Word was "a" god," not even capitalizing Jesus' name as the Word and as God.
