Introductory Physical Geology Lab  
Introduction. Welcome! Our vision for  
this project was to create a Canadian  
introductory physical geology lab  
manual that is more accessible and  
affordable for our first-year physical  
geology students. Since this is an  
open text, we can also update or  
modify it quickly to integrate  
improvements. At the University of  
Saskatchewan, in addition to our first-  
year course in physical geology that  
includes a lab, we offer an introductory  
physical geology course that does not  
have a lab component ...
