Do you find your sex life boring? Do you want to explore more positions and know the benefits Kama Sutra? If the answer is yes, then this book is the right book for you! The word Kama is one that means pleasure but can also be translated as desire or longing. There is a sexual connotation associated with the word, meaning it is more to do with sexual pleasure and desire than with the pleasures of life or desire for material goods, but that doesn't mean that the Kama Sutra as a whole is limited to only sexual pleasure. Sutra, on the other hand, translates to verse or scripture. When you put these words together, you get the translation of "Scripture of Pleasure", but there are many variations on how you can literally translate this. There are a lot of complexes, errors and false moral prohibitions on the way to sexual harmony and freedom. And this is not surprising, because we are all people of Western culture. Meanwhile, Eastern attitude to sensual love is radically different from the sexual culture of the West. In Hinduism, the body and spiritual life, sexuality and religiosity were initially considered to be the whole unit. All the ancient oriental treatises on the art of love were devoted to the spiritual side of sex, and the Kama Sutra is perhaps one of the most famous. Today, the Kama Sutra is an inspiring guide for millions of couples, helping them learn how to control their mind and body, emotions and passion, allowing them to find freedom and harmony in intimate life. In this book, we will tell you what the Kama Sutra is, what place takes love and intimacy in it. We will also look at some topics such as Foreplay and Flirting which will open to you many practical techniques for maintaining increased sensual
