This book examines the cultural work of space and memory in Canada and Canadian literature, and encourages readers to investigate Canada within its regional, national, and global contexts. It features seven chapters in English and five in French, with a bilingual introduction. Il rassemble sept chapitres en anglais et cinq en français, en plus d'une introduction bilingue. Les contributions, favorisant des approches thématiques et théoriques variées, sont réunies par leur désir de mettre en lumière des croisements inédits entre la mémoire et l'espace en tant qu'ils définissent certains des problèmes les plus brûlants de notre époque au Canada.
