Why I choose this book. I think this is one  
of the best trumpet method books for  
beginners and one reason for that is because  
it starts with the student playing his very first  
notes in the middle register instead of the  
low register. I wish more teachers were aware  
of how important this is....

The Rubank Elementary Method for Cornet or Trumpet is one of the best trumpet method books for beginners because it starts with teaching how to play the very first notes in the middle register instead of the low register. One of the important concepts taught at the beginning of the book is “ brain-lip ” connection.
