...Here is the water both shallow and still that soaks the soil of this murky, moist world: Here is the wetland. It is known as the wetland. Atop its glittering surface and below in its shadowy depths, birds, bass, minks, and muskrats struggle to survive and flourish. Madeleine Dunphy's lyrical prose provides a clear understanding of how each living creature links to the

Loch and his sister join their father on a scientific expedition to a quiet lake in Vermont. Suddenly, on a routine exploration, a hideous water beast explodes out of the water, and an eager photographer is ruthlessly devoured alive in front of them. The plesiosaurs proceed to reign terror and destruction down on the secluded lake community. But when Loch encounters a baby plesiosaur he believes the monsters only attack when threatened. So he risks his life, and the lives of his family, to
