That's the Big Pivot ... and it's  
nonnegotiable. Big-Pivot strategy represents  
a major shift in consciousness for the  
private sector, but it's not entirely  
radical. In fact, this kind of thinking is  
highly conservative, with a major dose of  
self-interest. We need to conserve the  
planet's capacity to support us for our own  
good.
