of that tale, set in  
modern-day Britain.

American expat George wakes up one day in the middle of the night to find a wounded crane in his garden. Incredibly moved by the vision and the pain the beautiful crane is in, he helps the bird, removing an arrow from his wing.

Impossibly, a great white crane has tumbled to earth, shot through its wing by an arrow.

Unexpectedly moved, George helps the bird, and from the moment he watches it fly away, his life is transformed.

The next day, a beautiful woman called Kumiko walks into his
