He's also the author of the critically acclaimed, bestselling novels True Believers , Heyday, and Turn of the Century . Evil Geniuses is "a work of towering importance," according to Anand Giridharadas, who in the New York Times Book Review also called it an "essential, absorbing book" in which Andersen "carefully, meticulously, overwhelmingly, argues through facts" but "never loses the texture of actual human beings.

About — Kurt Andersen

Random House published his third novel, True Believers, in the summer of 2012, and it was named one of the best novels of that year by the San Francisco Chronicle and the Washington Post. His short fiction has been published in anthologies such as Stories: All-New Tales (HarperCollins, 2010).
