Caffery 7 Mo

The sensational new Jack Caffery thriller from Mo Hayder, bestselling author of *Gone* and *Poppet*. Who's afraid? I believe, from what I can hear, that either my daughter or my wife has just been attacked. I don't know the outcome. The house is silent. Fourteen years ago two teenage lovers were brutally murdered in a patch of remote woodland.

Mo Hayder is an incredible talent, with her latest 'Wolf', the seventh in the Jack Caffrey series, she proves this. Not only do you devour her words, but she has the ability to make you feel them. With each page turned, a sense of unease grows, leaving you feeling that you are an onlooker, watching the story unfold, unable to help.

The queen of macabre crime fiction is best known for the second novel of Jack Caffery series, titled "The Treatment" which some years later became an exceptional, despite the brutality of the themes it deals with, cinema movie. "Wolf" is the seventh installment in this great series and in my humble opinion is definitely one of the best, along with "Birdman" and "Poppet".
